THE CCIM INSTITUTE FOUNDATION GOLDIE INITIATIVE SCHOLARSHIP

In April 2019, The CCIM Institute Foundation Board of Directors approved the funding of a two-year scholarship through The Goldie Initiative. The Goldie Initiative offers a prestigious leadership program designed to develop the next generation of women executives in the commercial real estate industry.

INES ANDRADE
2020-2021 Scholarship Recipient

The CCIM Institute Foundation funded scholarship will be limited to women studying commercial real estate at universities currently included as a CCIM University Fast Track partner. Goldie Scholar Ines Andrade, Master's in Real Estate (MSRE) student at Cornell University, was named The CCIM Institute Foundation Goldie Scholarship award recipient for 2020-2021.

Andrade is the President of the Associate Cornell Real Estate Council (AREC) and the Vice President of the Association of Cornell Women in Real Estate (ACWIRE). Prior to pursuing her Master's degree, she served as an Acquisitions Associate with Heitman in Chicago.

Andrade earned her Bachelor's in Economics with a minor in architectural studies from the University of Illinois in Urbana-Champaign, where she served as President of the Rho Epsilon Student Real Estate Association and received numerous scholarship awards and other accolades. While in school, Andrade interned with Jimmy John's, Starwood Retail Partners, and CyrusOne.

FUNDRAISING EVENT IN SUPPORT OF THE CCIM INSTITUTE FOUNDATION VETERANS SCHOLARSHIP PROGRAM

Held at the 2022 Spring Governance Meetings in Charlotte, NC, the event featured plenty of networking, music by country artist George Birge, and a silent auction to benefit the scholarship.

THE CCIM INSTITUTE FOUNDATION *VETERANS SCHOLARSHIP PROGRAM*

Established in 2020, The CCIM Institute Foundation Veterans Scholarship program gives back to the brave men and women who have served the United States by offering educational funding to pursue a new career in the dynamic commercial real estate industry.
