GIFT OF STOCK

For stock held in brokerage accounts, your broker can assist you in making a gift of stock via a direct transfer to the CCIM Foundation. Giving a gift of publicly traded stock that has increased in value and that you have owned for more than one year may provide better tax benefits than giving cash. Your charitable income tax deduction is equal to the fair market value of the stock and you avoid paying the capital gains tax on any increase in the current value over the original cost of the stock. You may also save on brokerage fees because you are transferring ownership rather than selling the stock.

If you would like to make a donation of stock to the CCIM Foundation (Federal Tax ID #363773054), please note the following:
